

HEART OF A DINOSAUR CHARITY GOLF TOURNAMENT SPONSORSHIP OPPORTUNITY

We are Heart of a Dinosaur, a nonprofit organization dedicated to supporting families of children facing cardiac challenges. We are thrilled to announce our **2nd Annual Heart of a Dinosaur Charity Golf Tournament**, happening **May 1, 2026**, at the Pleasanton Country Club.

We are currently seeking sponsors to partner with us for this special event.

About Us

Heart of a Dinosaur was created in honor of our son, **Hayden Odell Davis**, whose journey with congenital heart defects inspired us to support other families facing similar challenges. Our mission includes:

- Providing financial assistance for long hospital stays, medications, insurance premiums, cardiac equipment, and, in tragic circumstances, bereavement costs.
- Establishing a specialized cardiac camp where children with heart transplants or conditions can safely experience the joy of summer camp in a supportive and fun environment.

As a *501(c)(3) tax-deductible organization*, all donations directly help children with cardiac conditions and their families. Your sponsorship will not only provide essential resources but also ensure Hayden's legacy of love, courage, and hope continues to inspire and support others.

Together, we can make a meaningful difference in the lives of these children and their families. We would be honored to have you join us in this mission by sponsoring our inaugural tournament.

Thank you for your time and consideration. Please feel free to reach out with any questions or for additional details about sponsorship opportunities.

With gratitude,

VICTORIA DAVIS
